

Humans of ImpAct Storyboard Guide:

Use the sections below to write or draw out your story ideas!

Story Title Ideas:

<p>The Beginning: What's something compelling and interesting that you found out? Introduce it to the reader in an exciting way.</p>	
<p>The Middle: Add details, examples and substance to the story. For example, how does your social enterprise connect to the UN Sustainable Development Goals? Who benefits from the work?</p>	
<p>The End: What is your own connection to this topic? Why does this work matter on local and global levels? What does the future hold for this problem and the social enterprise?</p>
